Victoria is changing.

Over recent years this area has seen much investment with substantial development taking place. It has become a key destination in its own right with modern office space, architecturally spectacular homes, designer fashion boutiques and a host of new restaurants.

It has become a very vibrant area, now welcoming a variety of new businesses to the district.

Victoria magazine, launched in 2014, is published quarterly covering Victoria, south Belgravia, Whitehall, Westminster and Pimlico.

Our readers include the people who own, run, work in, live in and visit the area.

EDITORIAL

Our mission, always, is to be relevant to our readers and so we write only about what goes on within the Victoria, Whitehall and Westminster area

All editorial is tailored to this targeted readership, providing bespoke, inspiring and relevant content within each edition.

Our journalists write in-depth about local news and events and real stories about real people, while our stylish lifestyle features include culture, food and drink, fashion, property and

business. The transformative journey of the area has provided us with the most interesting of stories.

Our dedicated team of journalists and designers are the same team who also produce Mayfair Times, Belgravia, and Sloane Square magazine.

Victoria magazine is perfect-bound and printed in the stylish stretched A5 format on heavy, high-quality silk stock. Its user-friendly, portable size ensures frequent usage and a long shelf life.

READERSHIP PROFILE

Victoria magazine is published three times a year and provides the perfect vehicle to promote brands, property, products and services to a discerning local residential and business community.

For local businesses the magazine presents an unrivalled opportunity to be seen in not only the homes and offices of local consumers, but also the hotel rooms of business and leisure visitors from the UK and around the globe.

Advertising in Victoria magazine drives profitable footfall into the local shops, stores, restaurants, hotels, property agents and theatres in the area. Advertising raises a brand's profile and awareness, generates key sales and provides a competitive edge. It also drives important visitor traffic to websites, in order to glean further information and make a purchase.
